This Agenda has been converted to a form readable aloud by Adobe Acrobat. To use Acrobat's tool to help the visually impaired, select View, select Read Out Aloud, then Activate Read out aloud. Select a region of text and it will be read aloud. Press Shift-Control-V to read aloud the entire page.

Most of the Agendas as published on the Township website recently are not readable. All you'll hear is "Warning; empty page." That's because the Agendas and many other recent Minutes and Packets are turned from printed documents into pdfs using a scanner. The resulting pdf does not contain the original text; it contains only a multiple page scan, in other words, photographs of the text.

What you're reading now is the pdf-scan converted into pdf-text. We use Google's optical character recognition to handle the heavy lifting. This service to aid the politically aware but visually impaired has been brought to you by your Northfield Neighbors. www.NorthfieldNeighbors.today
