Camera resumes operation; Streaming and cable broadcast resumes in the middle of Trustee Dockett's comment.

[BOARD MEMBER COMMENTS](#) Dockett: "... and this board ten years ago it never passed; it never passed the smell test to me. A Township employee ran his private business at this Township Hall for many many years. The Township collected a hundred bucks for every inspection that he did. And we gave \$80 of that went to the inspector. \$20 to Northfield Township. The Township paid no income tax on this money they collected. And did all the banking. And I do not think that an employee should have been doing that at this Township. I think he has a lot wrong."
